Logan Lake Community Forest Corp. signs Forest Management Agreement with Aspen Planers Ltd.

The Logan Lake Community Forest Corporation (LLCFC) and Aspen Planers Ltd. have signed a four year agreement to manage approximately 80,000 cubic meters of timber. Wholly owned by the District of Logan Lake, the LLCFC has been in operation since January 2008, and with the signing of this Forest Management Agreement is poised to generate significant benefits for Logan Lake.

"The signing of this agreement is an important step in the evolution of the Logan Lake Community Forest Corporation", said Logan Lake Mayor Marlon Dosch, and President of the LLCFC Board. "It will give the community the security it needs moving forward, providing the corporation and Logan Lake with a guaranteed source of revenue over the next few years. I am very excited about creating employment opportunities in the region and working with a respected and established forest company like Aspen Planers."

"On behalf of Aspen Planers Ltd., I would like to thank Mayor Dosch, Chris Ortner (Cirque Resources), the Community Forest Board of Directors and all of the citizens of Logan Lake for entrusting our company with this responsibility.", said Jerry C Canuel, Woodlands Manager with Aspen Planers Ltd. "I take pride in the fact that our company has been selected to manage the Logan Lake Community Forest License. Aspen Planers is a grassroots, family owned company from Merritt and we understand and respect the values and expectations of the community of Logan Lake. The LLCFC has been working with Aspen Planers Ltd. on a trial basis over the last couple of years and have established a good relationship. We look forward to working with the Logan Lake Community Forest Corporation and the community of Logan Lake.
