

OPEN BURNING BAN

Effective NOON May 15, 2018, the size of an open fire is restricted in the District of Logan Lake. No permits will be issued for open burning until further notice.

This prohibition does not ban campfires that are a half-metre high by a half-metre wide (or smaller), and does not apply to cooking stoves using gas, propane or briquettes, or propane campfire devices as long as the flames are under the half-metre by regulation.

Any questions on back yard campfires or other concerns with open burning, please contact:

Fire Chief Dan Leighton @ 250-320-1790.
