

Re: Mischief to Vehicle and Safety Alert

March 24th 2020

On March 23rd 2020, the Logan Lake RCMP received a concerning report that a community member had their lug nut bolts loosened on their vehicle tire while parked at their residence in the 100 block of Jasper Drive. It is believed this incident occurred between, March 19th to March 23rd and anyone in the area who might have witnessed suspicious behavior or have video surveillance is asked to contact the Logan Lake RCMP at 250-523-6222 or contact Crime Stoppers anonymously.

The Logan Lake RCMP are requesting everyone to check / tighten the lug nuts on their vehicle tires for their own safety. At this time we ask community members to be vigilant and if you notice your lug nuts have been loosened, report it to the Logan Lake RCMP.

The Logan Lake RCMP are actively investigating this matter and will pursue every avenue possible to keep community members safe.

Cpl. Jarett Duncan
Logan Lake RCMP
