

## **WETLAND PROJECT OPEN HOUSE**

**Saturday, September 16th, 2017**

### **Everyone Invited to the 2017 Wetland Project Open House!**

The Logan Lake Enhancement Working Group in partnership with BCIT, Ecological Restoration students, and team have been restoring/creating wetlands on the Meadow Creek Golf Course, improving water quality downstream in Logan Lake, and creating valuable habitat for wildlife in the area.

- Learn about aquatic bugs, plants and animals that live in and around wetlands.
- Take part in one of the walking tours presented by enthusiastic student guides.
- Listen to a special presentation from wetland experts.

Saturday, September 16: 12 Noon – 4:00 pm. See you there!

Ample parking at the Meadow Creek Golf Course, Logan Lake.
